

### REMARKS

The Examiner has allowed claims 11-23 and has indicated that claims 7 and 10 contain allowable subject matter. This amendment is made to place this application in immediate condition for allowance. Specifically, the subject matter of claim 7 has been incorporated into claim 1. In this regard, claim 1 is amended to incorporate the content of both claims 6 and 7 (as claim 7 depended from claim 6, which depended from claim 1). As amended herein, therefore, claim 1 is in condition for allowance. Furthermore, as claims 2-5 and 8-10 depend from claim 1, these claims are also in immediate condition for allowance.

As this amendment merely copies the text of previous claims 6 and 7 into claim 1, no new issues are raised by this amendment, and the amendment should be entered.

No fee is believed to be due in connection with this amendment and response to Office Action. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to deposit account No. 20-0778.

Respectfully submitted,

---
